CEO MESSAGE

"A MESSAGE TO OUR BOYS & GIRLS CLUBS COMMUNITY"

It's important that you know the safety and protection of the children we serve is the number one priority of Boys & Girls Clubs of Union County.

Please rest assured that we are doing everything possible to keep our Club members, staff and volunteers protected from the COVID-19 virus.

To that end, we had decided to close the Club in Mid March until further notice.

During that time, we are thoroughly cleaning and disinfecting to prevent possible exposure or spread of the virus.

This closure ensures all kids, staff and volunteers are safe when the Club reopens.

In the meantime, we are advising all our Club staff, families and youth continue to take preventative measures as recommended by the CDC.

I will continue to update you with any new information. As always, our commitment to our Club members and their families is unwavering.

Congratulations to our Union Club Youth of the Year winner, Masara S! Masara is planning to attend Norfolk State University to study child psychology. She also serves as the Keystone Club (Teen Leadership) President; Masara now moves on to the State Youth of the Year where she will compete against other Youth of the Year winners in NJ!
